Allowable Subject Matter

1. Claims 8-17 and 19-21 are allowed.
2. The following is an examiner's statement of reasons for allowance: There is no teaching or suggestion in the prior art of the claimed combination including one of a pressure control valve and a pressure reduction valve that is operatively connected with the movable conical disk and is controlled via a control means by a control variable in order to adjust a working medium pressure acting on the movable conical disk within a nominal pressure range and a maximum pressure range, whereby the control system operates to provide precise control of a contact pressure between the conical disks and the endless torque-transmitting member in the nominal pressure range and in the maximum pressure range, to prevent slippage between the conical disks and the endless torque transmitting member.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
